

The Nanobubble 2024

Sponsorship Application Guidelines

meeting Period: October 10–12, 2024

meeting Place: Kihada Hall, Uji Campus, Kyoto
University

Kyoto University Finebubble Research Group

Yoshikatsu Ueda

(Assistant Professor, Research Institute for
Sustainable Humanosphere, Kyoto University)

Greetings

We would like to express our sincere gratitude for your understanding and cooperation with this meeting.

The Nanobubble International Conference has been held almost every two years, starting with "Nanobubbles and Micropancakes 2012" held at Les Houches in 2012 (past conferences: Magdeburg (Nanobubble 2022), Suzhou (Nanobubble 2018), Coffs Harbor (ACIS 2017 Symposium), Shanghai (Nanobubble 2014)). At these international conferences, we have reported on research results based on recent advances, especially in the fields of nanobubbles (ultrafine bubbles) and nanodroplets. At the 2024 conference, we have also set new targets for the latest trends in the fields of fine bubbles and ultrafine bubbles. The latest experimental data and phenomena, new insights from theory and modeling, advanced nanocharacterization techniques, cutting-edge research results on fine bubbles in fields as diverse as biology, environmental protection and restoration, and medicine will be introduced.

In 2024, the event will be hosted by the Kyoto University Microbubble Research Group, and will be held at Kihada Hall on the Uji Campus of Kyoto University. I know that this academic meeting will actively provide a place for active discussion and exchange not only with researchers in Japan and overseas, but also with companies.

Therefore, we apologize for the inconvenience, but we would like to ask for your understanding of the purpose of this academic meeting and your support.

October 2023

Kyoto University Microbubble Research Group

Yoshikatsu Ueda

Outline of the event

- Title of the meeting : The Nanobubble 2024
- Theme : Fusion of Microbubble Technology and Innovation: A New Door to a Sustainable Society
- Schedule : 3 days from Thursday, October 10 – Saturday, October 12, 2024
- Opening Ceremony : Hybrid event (moderator and speaker will gather on-site): There is a possibility that it will be face-to-face only
- Place : Kyoto University Uji Campus Kihada Hall
- Organizer : Yoshikatsu Ueda (Assistant Professor, Research Institute for Sustainable Humanosphere, Kyoto University)
- Number of expected participants: Approx. 300

- Academic Meeting Homepage :
<https://nanobubble2024.net>

- Composition of the Annual Meeting (tentative):
Special Lectures, General Lectures, Poster Sessions, Symposiums

- Company Exhibition Hall: Kyoto University Uji Campus Uji Obaku Plaza Hybrid Space
〒611-0011 Gokasho, Uji City, Kyoto
<https://www.uji.kyoto-u.ac.jp/campus/obaku.html>

- matter Duties bureau : 【Headquarters Secretariat】
Kyoto University Microbubble Research Group (Research Institute for Sustainable Humanosphere, Kyoto University)
〒611-0011 Gokasho, Uji City, Kyoto
TEL: 0774-38-3869
E-mail: kufb@mail2.adm.kyoto-u.ac.jp

Application and Inquiries Deadline: 2024.5.31

Please use the google form below.

(3) Silver/Bronze Privilege (Web Advertising Banner)

Document Size: ~128KB File format: JPEG/PNG/GIF (GIF anime is not allowed) / alt (within 20 characters) Number of links: 1 (links to your site, focus products, etc.)

(4) Introduction of products and technologies You can introduce the products and technologies of each company on the website. **【Courtesy photo】** Standard (recommended) width 1200 pixels × 900 pixels (JPEG, PNG, TIFF). If the number of pixels is small, it will be displayed roughly on the Web, and if

the number of pixels is too large, it will take time to display. The aspect ratio does not necessarily have to be exactly 3:4.

【How to display on the Web】 · It will be posted so that it is eye-catching, and each eye-catching image will move to the introduction page.

· Please specify an eye-catching word description. (within 20 characters) · Please write within 200 characters. · It is also possible to insert a URL in the description.

· Listing on the list of supporting companies on the website

We will post the list as a list of supporting companies on the Nanobubble2024 website.

· Advertising booth at Nanobubble 2024

For sponsorship of Platinum and Gold benefits, we will prepare a booth for corporate advertising. The booth will be a hybrid space at Kyoto University's Uji Obaku Plaza, where panel displays and demonstration products can be introduced. (Necessary power supply etc. are negotiable)

Delivery and management of booth goods

- Schedule such as delivery of goods will be negotiable.
- Please note that the exhibitor is responsible for the management of the exhibits, and shall not be liable for any damages to the exhibits due to force majeure such as theft, loss, fire, damage, etc. during the exhibition period.
- Exhibits in the hybrid space can be exhibited during the exhibition period, but valuables such as equipment can be stored in the Kida Hall warehouse every

evening during the exhibition period to prevent theft. (Negotiable)

▪ **Venue**

Platinum Benefit sponsors will display their respective logos on the signboards used at Nanobubble2024.

▪ **Advertisements in pamphlets**

Platinum, Gold, and Silver Benefit sponsors will be published in pamphlets and program booklets (A4, 1 pages).

▪ **Participation fee exemption**

The participation fee will be waived according to the award.

other

Cancellation of the event

Due to force majeure such as disasters and natural disasters, all or part of Nanobubble 2024 may be canceled. In this case, the organizer will refund the sponsor companies the amount that the organizer deems appropriate, taking into account the percentage of the part that was canceled (in the case of partial cancellation) and the remaining number of days of the event, but please note that it will not be liable for any other than that.
